Cock and Bull

Will Self

Cock and Bull Will Self

Will Self has been praised by The New York Times Book Review as “a high-powered satirical weapon” and *Cock & Bull* is one of his most outrageous works of fiction

“Cock: A Novelette” is the story of a woman who grows a fully functional penis. “Bull: A Farce” is the story of a man who acquires a vagina and all its companion parts. There are, however, complications. *Cock & Bull*, the book that introduced an enfant terrible of English letters to an American audience, has quickly become a classic of blistering satire.
