Donkey Poker teaches you how to crush the low-stakes live no-limit hold'em games you will find in Las Vegas. These "Donkey Games" play much differently than high-stakes live games or even low-stakes online games, so the optimal strategies are often much different. Donkey Games are filled with players who make the same mistakes over and over again and who are very exploitable.

Donkey Poker teaches a small-ball brand of exploitative and low-variance poker. It teaches you what to do and why you should do it.
