El momento justo (Gestión del conocimiento) (Spanish Edition)

Frans Johansson

El momento justo (Gestión del conocimiento) (Spanish Edition) Frans Johansson

Dos provocadoras ideas son las que dan origen a este libro: La primera es que el éxito es aleatorio, mucho más aleatorio de lo que nos gusta pensar. La segunda es que hay una serie de herramientas y actitudes que podemos tener para capturar esos momentos justos en que todo se sincroniza.

Se trata de un libro ameno, lleno de anécdotas acerca de los momentos justos de varias empresas en las que todo ha hecho "click" y han triunfado.

Gracias a su estilo, el libro se constituye asimismo en una verdadera guía para estar atentos, aprovechar las oportunidades y subirse a todos los trenes que nos convengan.
