Hans Jonas

Pensar sobre Dios y otros ensayos (Biblioteca Herder) (Spanish Edition) Hans Jonas

«Los distintos ensayos [reunidos en esta obra] representan un corte transversal a través de temas que me ocuparon durante muchos años. Son aquellos que han dominado mi filosofar desde que se alejó de la hermenéutica del pasado para centrarse en problemas modernos y contemporáneos, como la filosofía de la biología, la antropología, la crítica a la ciencia, la técnica y la ética.

La conexión temática señalada queda manifiesta en las contribuciones incluidas en la primera y la segunda parte, ya que se mantienen todas ellas dentro del ámbito de la experiencia y de lo demostrable. Las de la tercera parte van más allá. Al ocuparse de la pregunta por Dios entran en el ámbito de lo no conocible y se les puede negar el calificativo de 'filosóficas' [?]. Pero sigue siendo inextinguible el derecho de aquellos espíritus que se sienten empujados a llevar su preguntar incluso allí donde este ya solo puede esperar respuestas adivinatorias y expresables en circunscripciones figuradas.» Hans Jonas
