*The Gospel According to Dr. Seuss* has been one of Judson Press's best-selling books in recent years. Its many lessons can be taught simply enough for children to understand, yet they are profound and significant enough to contribute to the spiritual growth of adults. This leader's guide offers readers the process of applying these lessons in their own walks of faith. Multi-age and intergenerational in scope, participants will have numerous opportunities to share their testimonies:

- What people in our lives, for example, remind us of Horton the elephant, whose faith cannot be shaken?
- In what ways are we more like the Grinch who stole Christmas than we care to admit?
- How can we fight the temptations faced by those image-conscious Sneetches, who were a bit too fond of comparing themselves to others?

This study guide has been developed for use among four age groups:

- Younger children
- Older children
- Youth
- Adults
